Notes:

1. In April 2000 the Government introduced a new way for Charities such as the NSAAA to be able to claim tax refunds on donations they receive. For each £ received, we can claim a tax refund of 28p, which over a year could amount to a considerable sum.
2. You must pay an amount of income tax or capital gains tax equal to the tax we reclaim on your donations (approximately 28p for every £1 you give).
3. If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration.
4. If you pay tax at the higher rate you can claim further tax relief in your Self Assessment tax return.
5. If you are unsure whether your donations qualify for Gift Aid tax relief, please contact us for advice or you can ask your local tax office for leaflet IR113 Gift Aid.
6. If your declaration covers donations you may make in the future:-
  - a) Please notify the NSAAA if you change your name or address whilst the declaration is still in force.
  - b) You can cancel the declaration at any time by notifying the NSAAA who will then not apply for donations you make on or after the date of cancellation or such later date as you
